GOODWILL MESSAGE

On this auspicious occasion of recognition and award ceremony being organized by The Reformed Presbyterian Church of Nigeria, Amoso Edda, I write to convey our hearty congratulation to our Mother-in-Israel Elder Mrs. Helen Uduma as one of the recipients. This is a great honour that will be remembered for a long time.

Our mother has remained a uniting force in the family while exhibiting the Christian virtues of peace, humility and love.

Mama is an epitome of Motherhood and a virtuous woman, and we love her today and always. She has been a passionate Presbyterian and this award is a clear testament to her dedication.

On behalf of your children, grandchildren and great grandchildren, we wish you many more years in good health and happiness.

Congratulation Mma Helen

Chief (Mrs.) Ugo Nnachi
